

BEDROSIAN CENTER

2017-2018 ANNUAL REPORT

ABOUT THE CENTER

The Judith and John Bedrosian Center on Governance and the Public Enterprise was founded in the fall of 2005 through a generous endowment gift from Judith and John Bedrosian. The Center is dedicated to understanding and fostering effective democratic governance as an essential component in ensuring the betterment of communities within the United States and around the world.

MISSION

Building the
professional capacity
of public and
nonprofit institutions

Shaping public
dialogue across
public, private, and
nonprofit sectors on
governance and
institutional reform

Promoting and
supporting
innovative
governance
scholarship

OUR TARGET AUDIENCES

The Bedrosian Center is an applied research center at the USC Sol Price School of Public Policy, serving public, academic, and practitioner communities.

RESEARCH

This year saw the creation of the Political Institutions & Political Economy (PIPE) Collaborative jointly sponsored with the Office of the Provost; bringing together faculty and graduate students with interdisciplinary interests in political institutions and political economy.

In addition, the center hosted leading faculty from across the country to share cutting edge novel research on topics from evidence-based medicine to climate change.

FACULTY EXPERTISE

Bedrosian faculty affiliates are distinguished scholars with diverse disciplinary backgrounds and research interests. Their innovative scholarship not only advances their respective disciplines but also promotes best practices and cutting-edge thinking about governance.

TRAINING

The Bedrosian Center serves as a center of education for public sector principals and staff with the goal of improving government effectiveness in implementing policy and building the professional capacity of public and nonprofit institutions. The Bedrosian Center sponsors and supports the USC Price Executive Education Forum. Our mission is to educate and train leaders around the world as well as in local communities to manage organizations and devise policies. We are the primary leadership training source for the League of Cities Latino Caucus and are pursuing opportunities in Brazil, India, and Armenia among others.

PODCASTS

The Bedrosian Center offers a suite of podcasts examining politics and governance through different lenses. Our podcasts reach over 1000 weekly listeners from around the world.

From any podcasting app, search "usc bedrosian" and you will find our suite of podcasts: Bedrosian Bookclub, Our American Discourse, LA Hashtags Itself, and Price Production Room.
